Docket No. 98N-1265
Food and Drug Administration

Rockville, MD. 20857

I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I OBJECT to the definition of "inordinate amount" which restricts the availability and the right to obtain medically necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies.

COMMENTS: I have been searching for years to
evaluate & treat my hormonal irregularities.
Please do not now take that away —
Compounded medication has made a true
difference in the quality of my life & health.
It ~~relates~~ relieves symptoms & pain. I have
had to endure for close to 15 years. It
aids in my anti-depression treatment
as well as my reproductive system problems.
DO NOT ADOPT THIS now!
